An Invitation to The Secret Doctrine

No doubt the mystification played, in the last century at Calcutta, by the Brahmins upon Colonel Wilford and Sir William Jones was a cruel one. Moksh Mooller, as he pronounced the name, were a Brahmin, and came with me, I might take him to a gupta cave a secret crypt near Okhee Math, in the Himalayas, where he would soon find out that what crossed the Kalapani the black waters of the ocean from India to Europe were only the bits of rejected copies of some passages from our sacred books. The borderlands alone are superficially known to the traveller.

Books and Topics

Rabbi Jehoshua Ben Chananea, who died about A. The Sēfer Yētsirāh deals with the evolution of the universe based on a system of numbers and correspondences. Sprung from it in their origins, the various religious schemes are now made to merge back into their original element, out of which every mystery and dogma has grown, developed, and become materialised.

Esoteric Buddhism And Secret Doctrine

There are four things students may discover as they pursue their studies. This is a corroboration of that which has been stated many times before, and, unfortunately, too indiscreetly.

For maya is not so much illusion, as we ordinarily understand that word, but rather the measured pace of manifestation. . It was developed by his students, especially Plotinus, under whom Neoplatonism reached its culmination.

An Invitation to The Secret Doctrine

No other means was at hand, at the risk even of being once more charged with a lack of method and system. The Origins of the Holocaust. The was supposedly composed in Atlantis using the lost language of Senzar but the difficulty is that no scholar of ancient languages in the 1880s or since has encountered the slightest passing reference to the Book of Dzryan or the Senzar language.

Contents, Preface

The first volume is named Cosmogogenesis, the second Anthropogenesis. Wise is he who holds to the golden mid-point, who believes in the eternal justice of things.

Notes on the to The Secret Doctrine

This process has been going on from all eternity, and our present universe is but one of an infinite series, which had no beginning and will have no end. Moreover, there is a well-known fact, a very curious one, corroborated to the writer by a reverend gentleman attached for years to a Russian Embassy—namely, that there are several documents in the St. Was not Sanskrit proclaimed at one time the progeny of, and a dialect derived from, the Greek, according to Lemprière and other scholars? The former, on the testimony of Sir William Jones himself see Asiat.
