## History Map Wales

When I got out it was like something from a film. It serves as a constant reminder of those who lost their lives, as well as the importance of the coal industry in shaping modern Wales. Three of these could not be closely located from the information given but it seemed that thirteen others occurred after the firing of shots in return roadheads.

## Explosion at Six Bells Colliery Monmouthshire GB0218.D4805

Colliery Guardian, 30th June 1960 p. On 1 January 1987, the NCB became the British Coal Corporation. There was a single-unit longwall conveyor faces situated between a mile and a mile and a quarter from the shafts.

## Six Bells remembers mining tragedy

McLaughlin, the captain of the colliery rescue team. The supports had not been advanced but he considered that this could safely left for the day shift as nothing was likely to fall.

## Six Bells Colliery Explosion

They were joined by Samuels and Michael and they explored the whole of the Old Coal workings without finding any of the dead.
