Still, from the human angle, the unforeseen outcome reflected great credit upon the Reno and her people. Down the Coast by Dead Reckoning Masters of vessels traveling between San Francisco and San Diego memorized the five lighthouses marking the course: Pigeon Point, Point Sur, Point Piedras Blancas, Point Arguello with the Navy's nearby RDF station, and Point Conception. The wrecked ships were still not moved by late August 1929, since they may be clearly seen in film footage taken from the German as she headed towards on her of the globe; the film footage is used in the documentary film Farewell 2009.
