## 58 Change Poems

How do you really want to spend your time on earth? I was feeling a little low on energy to say the very least. Later on, it became the heart of her book,. This discovery lead to me practicing this over and over, until I was able to form just about any habit I needed.

## How Covid

We cannot change the fact that people will act in a certain way.

30

Make room for the new to enter. . These special soaps and shampoos were made for hospitals.

30

Understand that going through a major life change is a lot like being in the middle of a tornado. Start by becoming more aware of your negative self-talk — do a little tally sheet throughout the day, marking a tally each time you notice a negative thought. Keep in mind that nothing in life is ours to keep — not our friends and family, not our lovers, not our material possessions, not our youth and vitality, not our struggles which is great news or successes, and not even our lives.

## How will COVID

Making a lifestyle change is challenging, especially when you want to transform many things at once. It's one less thing for your brain to have to hold inside. If you and your support group are solely venting, that feeling of frustration can be contagious.

## My Life Changes

It has also spurred innovations like online instruction and teleworking that could fuel a better tomorrow. With a clear sense of your goals and values, you will find your mind and body can be much more resilient when it comes to the stressors of change.

## **Life Events**

It is like a plastic garbage bag.

## **12 Ways to Deal with Major Life Changes — Purpose Fairy**

She said it could take months to know details of how it will play out, as many insurers must redesign products and obtain regulatory approvals. Those who decided that it became too much, all this technology.
