Palestinian Territories

It said that Israel was in violation of article 49 of the fourth forbidding transferring civilians of the occupying nation into occupied territory.

New ICC ruling 'opens the door' for justice in occupied Palestine

Status as an observer state in the UN will allow the State of Palestine to join treaties and , including the International Civil Aviation Organisation, the International Criminal Court, and other organisations for recognised sovereign nations. A was agreed in June 2008, but it was broken several times by both Israel and Hamas. If completed as planned, the wall would cut off the Cremisan monastery from the Beit Jala community, blocking access to one of the Bethlehem area's last remaining green spaces, and a source of employment for area residents.

What are the Occupied Territories?

Following the 1948 War Israel incorporated into its own laws the imposed by the British Mandate Authorities in 1945. It must be emphasized that, despite the terrible human suffering caused by the blockade, the situation in Gaza should not be viewed as a humanitarian crisis that can be resolved through the provision of international aid and assistance.

occupied Palestinian territory

All of these planning schemes limit building to only a few restricted areas. This is a situation that must end. Unequal Access to Water — Israel controls all water resources in the West Bank and decides how much water is provided to Palestinians.

OHCHR

After occupying East Jerusalem in 1967 Israel annexed the city, although this annexation has not been recognized or accepted by the international community which continues to view East Jerusalem as part of the occupied Palestinian territory. From 1967 to 1981, the four areas were governed under the , referred to by the UN as occupied Arab territories. The Court observed that under customary international law as reflected in , territory

is considered occupied when it is actually placed under the authority of the hostile army, and the occupation extends only to the territory where such authority has been established and can be exercised.

Palestinian Territories

By the 1988 declaration, the PNC empowered its central council to form a when appropriate, and called upon its executive committee to perform the duties of the government-in-exile until its establishment.
