## Create and print notes pages

Additional information about the app is available at [zoho](https://zoho.com). If you have any questions, please reach out to us at [support@zohonotebook.com](mailto:support@zohonotebook.com). All your notes are instantly synced across your devices and to the cloud.

## Get

CUSTOMIZE - Change the color of your note cards. Or, if you want to change the font style for all notes, change the style on the Notes Master.

## Get

To get to Normal view, on the View tab, in the Presentation Views group, click Normal. SECURE NOTES - Lock individual notebooks and notes FIND NOTES - Search your notes within a notebook or across notebooks. To add art, such as a shape or picture, or to format all the notes pages in your presentation, change the Notes Master.

## Online Notepad

You can also check and change the headers and footers of your notes in Notes Page view. CUSTOMIZE - Change the color of your note cards.

## Notes on the App Store

SYNC - Synchronize all your notes and notebooks across devices and to the cloud. SHARE - Share your notes through email and other options.

## Get Notebook

SYNC - Synchronize all your notes and notebooks across devices and to the cloud. Notebook is 100% free and ad-free.

## Get Notebook

Now with Ink Note support!!! Figure: The Notes pane circled in red in Normal view You can type and format your notes as you work in Normal view, but to see how your notes pages will print and to see the full effect of any text formatting, such as font colors, switch to Notes Page view. Click the arrow next to Color, and then click Color in the list.
