A Treatise of the Pleas of the Crown

Hale entered the bar in 1636 after the normal seven years of schooling. Although Pleas of the Crown was first published anonymously in an edition with many errors and omissions, it was still a popular and widely referenced text that appeared in seven editions between 1678 and 1773. Later under the Norman kings and their successors the term came to mean those pleas or cases which concerned the king as distinct from pleas between subjects—common pleas.

Hawkins' Treatise of Pleas of the Crown
