How to Experience God in Your Daily Life

I can't repeat often enough the aside Cardinal Avery Dulles made during a 1969 lecture at St.

48 Bible verses about Experience, Of God

Wielenberg, to avoid the criticism that in a non-theistic universe it would be extremely lucky if evolution selected for belief in objectively true moral values, proposes that the natural laws that produce this result may be metaphysically necessary, and thus there is no element of luck. However, if we suppose that the evolutionary process has been guided by God, who has as one of his goals the creation of morally significant human creatures capable of enjoying a relation with God, then it would not seem at all accidental or even unlikely that God would ensure that humans have value beliefs that are largely correct.

10 Ways to Experience More of God's Presence

Keep in mind that God invites you to come close to him and welcomes you with great love, but he is also completely holy and all-powerful, so you should always approach God with the reverence and respect that he deserves. It is a figure of speech.
