Internal Communications: 2021 Tools and Best Practices

Your internal communications system should make it easy for any employee to contact another in the company, including upper management. How will you get there? We have to commit to taking the same approach to personalized employee communication that our friends in marketing take with customers.

Subject Matter

Without these channels, brilliant ideas and helpful criticisms can be missed, which no company should afford to lose.

Internal Communications: 2021 Tools and Best Practices

Focus on sending the right information to the right people at the right time. At the very least, it will give you an idea of where to start. As a manager, you can introduce your team members to those that can offer some informal coaching or mentorship in these synops.

Marijn Deurloo, CEO, ingZine The age of the internet has given us access to more information and instant correspondence than ever before, which can be both a blessing and a curse. Create a customer-centric team with personas The best way to help team members focus on customers? About Enplug Digital Signage Software digital signage makes it simple for businesses to create and share compelling visual content for their marketing and employee communications.

Subject Matter

All team members should stay updated on the latest industry scoop, from your CEO to your web designer.

Internal Communications: 2021 Tools and Best Practices

Mike Myatt, Founder and Chairman, N2Growth If one of your internal communications goals is getting your employees to learn from one another, then cross-departmental communication is key. All these tools make our non-work lives easier. So why are we still relying on antiquated methods to communicate with employees? Encourage company-related use of social media Not using social media in the workplace, in fact, is starting to make about as much sense as not using the phone or email.
