Events

Visit the farm and take a guided walking tour learning all about the history of the property and about the varieties of lavender grown on the farm, or roam the fields on your own just taking in the sights and smells of the beautiful countryside. Throughout the year, AKL offers a variety of classes to engage your inner artist, including everything from wreath making to living container gardens. Some of those have long menus and fancy dining rooms.

Upcountry Maui

His ingredients are top quality and everything on the plate is seasoned individually, yet meld together so well.

The appetizer, the dessert, and the two entrees. Coming here feels like you're being transported into a little cottage town. I was raised to eat family style and i find soooo much more joy in sharing food rather than each person getting their own plate and staying within individual plate borders.

Pipe or pump groundwater for Upcountry residents

Located next to Ulupalakua Ranch Store, MauiWine produces and bottles a variety of wines uniquely made from both pineapple and traditional grapes. Just park and stroll through to the front door. I'd say the ambiance and experience is like a perfect blend of rustic fine dining.

Events

Welcome to Upcountry Skateshop Maui. Chef Hiroki shops for mostly local, in-season ingredients all the time at least weekly, maybe closer to daily? We are located right next to in the Kooy Building.

Events

Hiroki puts care and pride into every single item on your plate.

The pork tenderloin was also unbelievably tender, though it actually took a tiny bit of pressure from your fingers before it yielded a bite. I would like to see all daytime football games have 10-minute breaks minimum between the first and second quarters,. I take the photos and they get buried.

Pipe or pump groundwater for Upcountry residents

We ordered the whole menu twice, between the 4 of us. They even ship bottles to the mainland! I'm soooooo glad we found him. Made up mostly of residential real estate, the small town of Pukalani boasts very little to the eye of the tourist.
