It is important to reflect what helped shape who we are as we evolve our story of nationhood.

## Literature Review on Motor Skill and Physical Activity in Preschool Children in New Zealand

The United States and New Zealand work together on a range of scientific areas, especially research in Antarctica. New Zealand stopped being a colony in 1907, when it was officially recognised as a British Empire dominion. In the 1960s, however, an unprecedented art scene began to emerge, created initially by a group of artists, including Colin McCahon and Don Binney, who were helped by the rise of commercial galleries in most large towns and cities.

## 12 Moments That Shaped New Zealand's History

Poet Hone Tuwhare has achieved an international reputation.
