### Deviance (sociology)

ADVERTISEMENTS: Conformity is opposite to social deviance which implies obedience to the norms that make a person acceptable in a particular society, group, or social setting.

### Muzafer Sherif: Conformity

In legal terms, people are often wrongly accused, yet many of them must live with the ensuant or conviction for the rest of their lives. Similarly one can expect the bus, train or plane to depart at the time specified in the time table; so one will make all efforts to reach the bus stand or railway station or airport well in time to catch the transport.

### Muzafer Sherif: Conformity

In 1964, when he studied deviance he stated there are four important functions of deviance.

### Chapter 6

But there are always agitations to see that members from the important castes and communities are selected as the members of these commissions. This type of nonconformity can be motivated by a need to rebel against the status quo instead of the need to be accurate in one's opinion.

### How Conformity Can Be Good and Bad for Society

It is unlikely that a group's first proposal is the best that it can possibly make.
