However, while the goal of the labour movement is to protect and strengthen the interests of labour within capitalism, the goal of socialism is to replace the capitalist system entirely. The Midland Cold Storage Company got a court injunction but the blockade continued. As most of the founding members of the new unions had little conception of trade unionism or relevant labour laws, they began to invite labour lawyers and HKCTU leaders to give seminars and training sessions.

New Trade Union Network for Palestine

In 1987, the electricians union EETPU made several single-union deals with the companies Yuasa, Thorn-EMI and Orion.
