## Essay on Jajmani System in India

There are some castes that have given away their traditional occupations while at the same time there are castes that very rigidly follow their traditional occupations. Certain non-ritual, even non-religious elements which always existed in the caste system and informed quite a few aspects of inter-caste relations, were theoretically ruled out of the system. Changing Minds: Religion and cognition through the ages.

## Secularisation of Caste and Making of New Middle Class

With the desire to establish a kingdom in India, the Portuguese ' Governor Albuquerque captured the island of Goa, the famous seaport of the Sultan of Vijapur.
