Housing

Location: Hillsborough and Epping, New Hampshire. Topics discussed include the size and nature of the problem of residential care for severely subnormal subjects; the residential care of low-grade severely subnormal children; and observations on the practice of residential care. The latter is often called supported, rather than supportive, housing, but other than the location of the homes for the mentally ill, the services are the same.

Assisted Living for Mentally Disabled Adults

Housing is a basic human need that provides shelter and stability.

Adult Developmentally Disabled Residential Long Term (Grand Rapids)

The 30 members listed on the following pages have been accepted for membership by ARTA. For those individuals, there are financial support options including Medicare, Medicaid, Social Security and HUD programs. An advance directive describes, in writing, your choices about the treatments you want or do not want or about how health care decisions should be made for you if you become incapacitated and cannot express your wishes.
