What is the most sensitive part of a woman's vagina?

It's never easy trying to figure out our desires for others, but to me it sounds like you may be compatible in some ways with this man, but he also makes you feel annoyed and confused. You feel deeply and you love deeply, thus your relationships are all very serious.

The Highly Sensitive Man

The skin may also feel warm to the touch, become bright red, and you may also develop a fever.
