Nihonjinron

In Dale's proposal, this drift from negative uniqueness to positive evaluation of uniqueness is a cyclical trend, since he believes the same pattern can be detected in the literature on identity for the period from 1867 to 1945, from early Meiji times down to the end of World War Two. These debates ranged from liberal center-left critics to radical Marxist historians.

Kankokujin ka Nihonjin ka: Imakoso zainichi do^ho^h bunka no so^zo^z o...

In similar wise, scholars detect in modern Japanese nationalism, of which the nihonjinron are the resonant if melodiously subdued, post-war echo, many features that derived from borrowings abroad, from the large resources of cultural nationalism mined in European countries during their own respective periods of nation-formation. But whether material or ethereal, the artifacts of Japanese culture had become indelibly inflected by Europe's fascination with, or depreciation of, one of its cultural others.

Involvement and Attitude in Japanese Discourse: Interactive markers

Motoori, the greatest nativist scholar, is deeply indebted, for instance, to the thought of the most penetrating Confucian thinker of Tokugawa times. In the 16th century European contacts with Japan gave rise to a considerable literature by travelers and foreign missionaries on the Japanese, their culture, behavior, and patterns of thinking. I studied at a Nihongo gakkou de Nihongo gakkou de Japanese school.
