At the outbreak of the First World War, he contributed a few years in the Austrian army. The book Wittgenstein and Modern Philosophy, written by Professor Justus Hartnack, was first published in Danish.

Wittgenstein and Modern Philosophy

Hartnack was successful in giving appropriate footnotes in places where the reader needs clarifications. So the function of the language is to represent the state of affairs in the world. .

Wittgenstein and Modern Philosophy

It has nothing to do in providing information about reality. Though this book contributes nothing new to the world of philosophy, it shows a great honour to Wittgenstein. .
