Nutrition and patients: a doctor's responsibility

In some cases, there are laws that speak to this responsibility, warranting an eventual arrest or a lawsuit. Graham IM, Daly LE, Refsum HM, Robinson K, Brattstrom LE, Ueland PM, et al.

Taking a Nutrition History: A Practical Approach for Family Physicians

Our diets are killing us and doctors aren't trained to help

Jennifer Trilk, assistant professor in the department of biomedical science at the University of South Carolina School of Medicine at Greenville and a leader in the new lifestyle medicine movement, says that as we've developed more and more ways to intervene, most doctors are still more comfortable treating illnesses than addressing prevention. Doctors often overlook obvious nutritional and metabolic problems—treatable problems—that prevent their patients from losing weight.

Health practitioner practices and their influence on nutritional intake of hospitalised patients

Dennison BA, Rockwell HL, Baker SL.

Role of Nurses and Nutrition in Healthy Patients

If you are in the United States and experiencing a medical emergency, call 911 or call for emergency medical help immediately.
