These Saints Bore the Stigmata, the Marks of Jesus

The same evening I called one of my other sisters on the phone, I explained my dream, and the white raised bump on my palm to her. The marks were round on the palm of each hand but elongated on the other side, and small pieces of flesh jutting out from the rest took on the appearance of the nail-ends, bent and driven back.

What is Stigmata?

A priest from the Vatican is sent to Sao Paulo, Brazil to investigate the appearance of the face of the Virgin Mary on the side of a building. Once I was on a plane once returning from work in Europe and had what looked like the most intense bruising I have ever seen on my body, appear in the centre of each of my palms. It is a worthy consideration.
