'The Cure For Death by Lightning' reread during the pandemic

Beth knows she will soon be left alone, and some part of her seems to relish that idea. Maybe this is the narrator's way of coping, but as a result when I got to the end of the book and went over it in my head I was shocked by what I had read. Some characters have totem animals associated with them; for instance Coyote Jack and Bertha with the birds.

This scene could be thought of as magic, but the author in an interview explained that she had experienced just such an event. The Swede hunts on the Weeks property and is fighting with John over the property line. Where did you get all that good red blood? The shadow ran across the yard disappeared against the barn, and reappeared again in the sheep pasture, heading through the orchard.
