

# Rise of American democracy - Jefferson to Lincoln

Norton - The Rise of American Democracy: Jefferson to Lincoln: Book I, The Crisis of the New Order (College Textbook Edition) / Edition 1 by Sean Wilentz

Description: -

-

Polarization (Nuclear physics)  
 Collisions (Nuclear physics)  
 photons interacting with atoms, molecules, clusters, and surfaces  
 optical physics  
 molecular physics  
 ions  
 dynamics of collision systems involving electrons  
 Science / Nuclear Physics  
 Atomic physics  
 Nuclear Physics  
 Nuclear Energy  
 Chemistry - Physical & Theoretical  
 Physics  
 Science/Mathematics  
 Science  
 Congresses  
 Particles (Nuclear physics)  
 Atomic & molecular physics  
 Industrial management -- Soviet Union.  
 Industrial management -- United States.  
 Bureaucracy -- Soviet Union.  
 Bureaucracy -- United States.  
 Political parties -- Latin America.  
 Hypochondria -- Popular works  
 Hypochondria -- Humor

**Sean Wilentz. The Rise of American Democracy: Jefferson to Lincoln. New York: W. W. Norton. 2005. p. xxiii, 1044. \$35.00**Reviews of BooksCanada and the United States

Wilentz's account confirms my suspicion that the Really nicely done and not at all as heavy as the size of the book would suggest. Fair warning, it's not a quick or easy read, but well worth your time and effort. The theme of that book was the awakening of class consciousness among the city's skilled craftsmen, a process that Wilentz traced through their social organizations, labor presses, and fledgling trade unions.

## Jacksonian democracy

Drawing on extensive research and a deep immersion in modern scholarship--the footnotes alone provide a road map to the last quarter-century of historical writing--the book is a magisterial synthesis that deserves the attention of anyone interested in the American past.

## **9780393329216: The Rise of American Democracy: Jefferson to Lincoln**

While the subtitle is Jefferson to Lincoln, the book actually begins its focus even prior to the Washington administration. Jackson's expansion of democracy was largely limited to , and voting rights were extended to adult white males only. The Rise of American Democracy Jefferson to Lincoln, by Sean Wilentz read 7 Sep 2012 Bancroft Prize in 2006 This massive study of democracy's advance in the US from 1800 to 1861 is brimming with careful and original research.

### **The Rise of American Democracy : Jefferson to Lincoln (Paperback)**

He covers it from the perspective of actors on the political stage which is fairly standard while not focusing sharply on the evils of the institution of slavery and the racist ideology employed for its bulwarks, also pretty standard from a lot of liberal history So it has the reformist somewhat optimistic progressive feel with a narrative of expanding sphere of enfranchisement and growth of the country. His study explores the long-standing tensions in early America which led to the Civil War, and it emphasizes the nature and fragility of democratic government.

### **The Rise of American Democracy: Jefferson to Lincoln by Sean Wilentz**

Nonetheless, Wilentz highlights the Democrats' culpability in nullification, preserving slavery, and secession.

### **Table of Contents: The rise of American democracy :**

Although he managed to get his successor, Martin Van Buren, elected, the economy tanked in the Panic of 1837, which together with growing sectional discord over slavery marred Van Buren's presidency. Wilentz tells this story in a long, detailed narrative--too long and detailed, no doubt, for the taste of some readers. Tax-paying qualifications remained in only five states by 1860 — Massachusetts, Rhode Island, Pennsylvania, Delaware and North Carolina.

## **9780393329216: The Rise of American Democracy: Jefferson to Lincoln**

It eliminated the endnotes of the one-volume edition but preserves the entire text of the original.
