Seasonal Variations in the Canadian Economy: Employment and Unemployment

Ostrom, Elinor 1990 Governing the Commons. There is, first of all, an obvious need for broadly-based time series of wages and salaries that can be compared with the data for other countries. À mesure que les demandes pour ces ressources s'intensifient, nous devons trouver des moyens d'accroître les bénéfices qu'en retirent tous les groupes, tout en les protégeant et en les améliorant.

Streszczenia konferencji: „Marché du travail

Elles seront constituées des installations de bases nécessaires à l'entreposage du matériel, aux communications, au ravitaillement des aéronefs et à l'hébergement des pompiers. The divergent visions of what the labour market means historically are rooted in the intellectual traditions of the two disciplines; they echo a fundamental ambiguity in how we understand historical causation.

Libro

Again we see a transition from a pattern of flexible employment where work in more than one sector in a year for a given worker was common to employment portfolios with more stability but also more unemployment. Therefore, our foresters, our fish and wildlife biologists, our outdoor recreation specialists, our water experts and all other staff members work closely together regularly. Most food riots in the seventeenth and eighteenth centuries occurred in districts where farming was not the main occupation.

BMS

Firms that regularly lost workers to agriculture in summer employed about a third of the industrial labour force.

Libro

The members, all chosen for their technical expertise on rabies research, represent the Ministry of Health, Ministry of Agriculture and Food, Agriculture Canada, and the academic community. Nous empoissonnons nos lacs et nos rivières. Afin de trouver un sens à ces écarts, nous nous sommes ensuite efforcés de reconstituer le processus de fabrication des données stockées sur le fichier central de la fédération.
