Diversity Matters in Academic Radiology: Acknowledging and Addressing Unconscious Bias

Finally, observational studies invariably suffer from residual confounding and competing risks. Have you read any Black feminist theory? Služba reprezentuje výstupy citací nakladatelů zapojených do systému rozšíření služba Crossref.

Examining Intersectionality: The Conflation of Race, Gender, and Class in Individual and Collective Identities

Chicago: The University of Chicago Press. However, much of the content in Modules 1, 3, and 4 are generalizable enough to apply to most audiences. It is ambiguous because it is in a constant state of negotiation and interpretation: ever changing, always contested, sometimes contradictory, and continuously repositioned by the specificities of place, time, history, culture and experience.

Kirwan Institute: Implicit Bias Training Modules

However, when you do have doubts or hesitation, it is valuable to take the initiative and learn about cultures and the significance behind their customs, symbols, regalia, etc.

Diversity, Equity, & Inclusion 101

A metaphor we often use is equality ensures that everyone has a pair of shoes; equity ensures that everyone has a pair of shoes that fit. We have been traditionally taught that there is only one answer; however in reality, there are a multiplicity of truths that coexist.
