© Victoria and Albert Museum, London; The Tears Dress, Elsa Schiaparelli and Salvador Dali, 1938, France. He was known for his spheroid eggshell structures and psychically stimulating interiors. Dali was indeed very eccentric, beguiling the public attention and at the same time gaining ire from his critics.

V&A · Surrealism And Design

THE WOMEN OF SURREALISM A significant number of women were involved in Surrealism despite their dismissal by many critics and a tendency by male Surrealists to sideline them. They condemned the nationalist and capitalist values that led to the cataclysm of the war and employed unorthodox techniques, performances and provocations to jolt the rest of society into self-awareness. Some single-mindedly pursued a spontaneous revelation of the unconscious, freed from the controls of the conscious mind; others, notably Miró, used Surrealism as a liberating starting point for an exploration of personal fantasies, conscious or unconscious, often through formal means of great beauty.

Library of Congress Left: Black Zag X 1969 by Louise Nevenson. Currently he is the Presidential Assistant Professor of Architecture at the University of Oklahoma, where his is affiliate faculty in Film Studies, Art History and International Studies. A close friend of Carrington, she worked as a commercial illustrator in Mexico, which is credited as being the key to her unique style, as well as her tendency to place herself in her paintings.

Dada and Surrealism

Locals regarded him as a village idiot.
