20 Major Philosophers & Their Big Ideas

It is important to have an understanding of this vocabulary in order to understand his thought in general. Since the best life is a life of virtue or excellence, and since we are closer to excellence the more thoroughly we fulfill our function, the best life is the life of theoria or contemplation 1177a14-18.

Basic Teachings of the Great Philosophers: A Survey of Their Basic Ideas by S.E. Frost Jr.

Original scriptures of the Ājīvika school of philosophy may once have existed, but these are currently unavailable and probably lost.

Basic teachings of the great philosophers; a survey of their basic ideas. (Book, 1962) [sdk.mavlink.io]

. They are something like the foundation of a building. It is also arguably his most difficult work, which is due to its subject matter.

Basic Teachings of the Great Philosophers: A Survey of Their Basic Ideas by S.E. Frost Jr.

Plato believed that talent and intelligence is not distributed genetically and thus is to be found in children born to all classes, although his proposed system of selective public education for an educated minority of the population does not really follow a democratic model. It is arranged by topic ontology, metaphysics, morality, etc. Since a nation or polis determines what ought to be studied, any practical science, which deals with everyday, practical human affairs, falls under the purview of politics 1094a26-1094b11.
