## Aleksandar Hemon On Places That Inspired 'Love and Obstacles'

I realize how immature this is, but it is simply the reality of the situation. Another thing you can do with The Bean is taking pictures for a in front of it: Finally: the Buckingham Fountain in Grant Park. Other than that though, not too much to report.

#### Tales from the Sexual Underground

He takes care of the household chores and helps the villagers of Windy Meadow, especially farmers, with their mundane tasks, but with no real trade or training he keeps worrying about the future. Miles died this weekend, and for some reason, it's having an effect on me that I didn't expect. In October, she flew to Oregon to shoot 2000.

### Tales of the City

Well I guess that's my only update for now. For the plaintiffs, however, articulating a serious legal theory, much less prevailing in court, was likely beside the point.

#### InPark Magazine

I've decided that I should develop my own TV show. I love making lists and plans and but have a hard time following through.

#### Tales from the Windy City

My discoveries have contributed to my personal growth in ways that have profoundly enriched my life. Does it look familiar to you, even though you have never been to Chicago? Ok, I have this strange feeling that in about thirty seconds, I will lose all ability to be coherent, and thus, I should end this here.

## Tales from the fog bank by Andy Marshall

I guess my new rationale is that I am thankful to have the basis for which to have these issues.
