5 reasons why you should invest in bee keeping in Kenya

Within minutes of leaving the paved highway leading out of Garissa, the biggest city between Nairobi and Mogadishu, I am greeted by the ominous sight of two dead goats. What better way to see Mt Kenya.

The Elmolo: The Forgotten Tribe Of Kenya

Includes private helicopter trip with expert pilot, breakfast, tea, coffee and juices. Remove poisonous or strong-smelling plants.

Sugarcane farming continues to produce bitter produce in Western $\,$

Finally, an adult or senior goat may be the cheapest option of all, but be wary of goat farmers selling useful milk producers. Contact Savannah Honey today and start making money from honey farming: +254 721965337.

Growing Kenyan entrepreneurship

The grassy footing within parts of the forest lends itself to long trots and gentle uphill canters. To create this article, 38 people, some anonymous, worked to edit and improve it over time.

The Angels Forgotten

In the process of constructing and running our school, improving local roads, and growing our crops, we have become the largest employer in the local area. He sought anonymity for fear of being branded a community mole. According to Kenya's Agriculture Minister Peter Munya, 15 out of 47 counties in Kenya have been affected by the waves of locusts coming in to the country from Ethiopia and Somalia.

Kenya: Village in Siaya Where Gold Rush Fever Has Burned Farm Work

They are the so-called 'RIP men' because their survival is not guaranteed in case of an accident.
