#### Gantz (manga) [Chapter titles]

Kato is determined to achieve 100 points so that he can revive Kurono. After Kurono's performance in the last battle, most of the other surviving group members start training daily with Kurono to improve their own abilities. Kurono realizes that he lost his memory and attempts to recover it.

# Conjuring the Ghosts of Missing Children: A Monte Carlo Simulation of Reproductive Restraint in Tokugawa Japan

This is because the Togoku data set does not permit confident estimates for the frequency of divorce and remarriage, supplying only the proportions married at each age. I have a great curiosity to see the Japanese ladies, though I am quite willing to wait till they have been in the country a year or two.
