There was a time in my life when I toyed with the idea of canning and freezing enough for the family for the winter. After years of talking and

internally negotiating all the possibilities, we launched virtually overnight into the project. More casual and cooler food preparation options.

## $\mathbf{X}$

Everything the sunlight touches on Carnival Sunshine has been doused with an extra dose of fun. Not that it really matters, it's an average episode, but tonally it would have fit much better somewhere in the middle of the season or even towards the beginning; definitely not leading up to the series finale.
