In an edition such as this one, it would seem useful to add an introduction that would note the importance, even if implicit, of excentric positionality to the lectures. Körper und Seele bilden eine organische Einheit.

Am Scheideweg des Denkens über den Menschen. Philosophische Anthropologie im 21. Jahrhundert

In his most well known book, Minima Ethnographica which focuses on intersubjectivity and interpersonal relationships, he draws upon his ethnographic fieldwork in order to explore existential theory. Die Philosophische Anthropologie verweise auf die kulturelle Dimension der menschlichen Existenz, indem sie die Aspekte des Sozialen und Geschichtlichen einbeziehe.
