Palo Alto, California: Annual Reviews Inc.

Stress

Agricultural decision making: Theory and method.

Dissertations and Theses in Agricultural Economics

Inaugural lecture upon taking up the position of Chair in Farming Systems Ecology at Wageningen University on 16 May 2013. The author stressed the point that there could also be serious disadvantages to this status.

Sulfate reduction in methanogenic bioreactors

International Rice Research Notes 28 2 55-56. The effect of variations in the air density, due to humidity, is modeled and included in a version of the climate model of Tap, 2000.
