Sahih Bukhari: Book of for Rain

90738095

Methuselah was prophesied to die seven days before the advent of the great Flood, and upon his death his grandson Noach was commissioned to be humanity's high priest.

After his transgression and exile from the garden, Adam built an altar and offered sacrifices to the LORD as humanity's first high priest.

Council thakah maalee bodethi baaruthakeh dhee, bill majlis ah fonuvaifi

The livestock are dying and the families offspring are hungry: please pray to Allah to bless us with rain.

Council thakah maalee bodethi baaruthakeh dhee, bill majlis ah fonuvaifi

90738095

The livestock are dying and the roads are cut off; so please pray to Allah for rain. Abram was said to be fearful that Shem would resent him for killing his descendants Chedorlaomer was a direct descendant of Shem, whereas Shem was fearful that Abram was angry over the abduction of Lot and the need for war. Of course the Book of Hebrews also links the priestly work of Yeshua as our Kohen Gadol of the New Covenant with Malki-Tzedek.

| . The New Testament calls Yeshua Adonai Tzidkenu and declares Him the only True Tzaddik since He alone truly fulfilled the Torah of Moses and gave Himself as a sacrificial offering upon the cross to save the world from the judgment of God. |
