## RACER

Every issue from cover to cover is worthwhile reading if you want to stay informed about all the motorsport disciplines. The writers are very experienced and passionate individuals who I have known for many years.

### The Racer (2020)

The author's father was a racing driver and she practically grew up on F1 circuits. Her story is one to endure and one to cultivate. Thank you Katy for being not only an incredible author, but also a true friend to.

#### About RACER — RACER Magazine Information Center

I LOVED them both so much! Rebecca soon sells Granny on the idea of turning the house into a guest house for travelers looking for free accommodations. It is the type of magazine that you want on your coffee table.

#### The Racer (2020)

The quality of the writing and photography is also top notch. It ends on a high providing glimpses of other couples in the series.

#### **Get Traffic Racer**

A downside of this film is that you mainly follow the main character when he is kicked out of his cycling team, looking for a new way of life.
