## Bid For Power (Game)

Presentation Being a Quake III mod, the graphics are on par with the Quake III engine. Basic free version of the software offers manual scanning and removes infections after an attack.

#### **Bid Opportunities**

After scrutiny of the submitted documents, the UT administration would announce the date for opening of bids and finalisation of the company. As a result, the mod team was forced to repopulate the game with original characters without changing game play much. The real problem will be finding someone that's running a Bid for Power server with the same software version as the client that you're trying to connect with.
