## Unheard Voices: The First Historians of Southern Women

There is real artistry here, as well as real scholarship. I went to look at it ... I waited for a long time for the moment when their eyes would begin to burst from pain. That time forty-nine people showed up.

### **How Women Lived Under Soviet Rule**

No luck There was nothing to do but make good grades. Seen from the standpoint of ordinary people, the essential theme of the the eighteenth-century experience was not so much achievement as the fragility and chanciness of life. In addition to her tenure at Duke, she has taught at Haverford College and the University of North Carolina at Chapel Hill.

## 92552365

In the end I focused on the southern progressives in Congress of whom there were a good number. As a human-rights activist since the collapse of the Soviet Union, she has often been at odds with the autocratic Belarusian president, Alexander Lukashenka, who has never personally congratulated her on her Nobel. She was educated in her home state at the University of Georgia, as well as at Northwestern University and Radcliffe College.

# Unheard Voices: First Historians of Southern Women (Paperback, 1993) for sale online

I have tried to learn from the records left by these three women what it was like to be an eighteenth century person. The original book is out of print but the essay can be found in Anne F. But insofar as that is true it is because I never knew the answers, and my students and I have sought them together.

**History Doyen: Anne Firor Scott** 

isbands and wives came—some even bringing their teenage children—and all sorts of careers were represented including doctors, lawy cial workers, teachers, and volunteer leaders. Nobody told me, and I didn't pick up from the environment, the idea that my chances in limited by gender.	/ers, ife would
