Glutamine synthetase is a key enzyme for ammonium assimilation. Petaling Jaya, Selangor Darul Ehsan, Malaysia: Oriengroup, 1991. However, as one of the participants of the 1990 National Affairs Conference, I can confirm to you that all the participants at the Conference at the time, when they were told about Judicial Yuan Interpretation No.

## Judicial Supremacy in Taiwan

Even for a trained Taiwanese lawyer or an experienced jurist, the database is the opposite of user-friendly. Singapore: Singapore University Press, c2004. It was not until this point that I realised that the Judicial Yuan had conducted an interview project on retired Justices and judges - even Nigel N.

### The Revival of Buddhist Monasticism in Medieval China

The antiviral activities of GS-9190 against the chimeric replicons were reduced to levels comparable to that of the wild-type GT2a replicon in chimeras expressing GT2a NS5B. Ginsburg's study follows the typical American strategic model - the Justices were playing separation of powers games Gillman, 1999: 84, and would always decide accordingly Epstein and Knight, 2000: 625-653, but this model fails to explain why the Justices became extremely powerful - such as when they fearlessly struck down a constitutional amendment. Cases appealed from the Administrative Court were apparently more favourable for judicial review.

In the Hall sample, the phyla Proteobacteria, Bacteroidetes, Deinococcus-Thermus and Cyanobacteria were over-represented with respect to the ICU. Before the 1980s there is no doubt that the Justices supported the state of emergency system that strove to retake the Chinese mainland via military operations, and the statistics show that the Justices not only used judicial power in a limited way but also decided according to anti-communist policies. The actual practice of constitutional judicial review thus constitutes the court as a majoritarian institution in most of the time.
