Histoire de l'Europe/La formation des États européens — Wikilivres

In each continent, the institutes offer formative proposals adapted to continental contexts, listening to the social, educational and youth needs in their local context. The Council of Europe was signed into existence on 5 May 1949 by the , the organisation's founding Statute which set out the three basic values that should guide its work: democracy, human rights and the rule of law. With the participation of national and international experts, they run annual series of seminars and conferences on topics such as European integration, democracy, human rights, the rule of law and globalisation.
