For this paper, you would have to pick a suitable company first.

## Smithsonian American Art Museum and Renwick Gallery

Cimabue, who taught the Italian master Giotto, is widely considered the forefather of the Italian Renaissance. The Actéon auction house in Senlis said in a statement that the sale was the biggest for a medieval painting and the eighth highest for a medieval or old master painting. The movement was a loosely knit international network that was prominent in Zürich, Switzerland; New York City; Berlin, Cologne, and Hanover, Germany; and Paris.

Splunk will aim to bring SignalFx's cloud expertise into its suite of monitoring tools to span all possible IT environments. The Austin, Texas-based company builds cloud-native autonomous security operations centre ASOC software, giving Sumo Logic a broader set of capabilities to better compete with rivals like Splunk.

#### 8 Lost Masterpieces of Art

Attracting a range of international clients throughout the Americas, Europe, the Middle East and Asia, these sales are dedicated to over a half a millennium of art: from the Italian gold ground artists of the 14th and early 15th centuries such as Taddeo Gaddi and Lorenzo Monaco, to the early Netherland, Renaissance and Mannerist painters such as Hans Memling, Joos van Cleve, Gerard David, Lucas Cranach, Titian, Sandro Botticelli and El Greco.

#### Most significant technology acquisitions 2019

There are some apparent differences in cultures when it comes to shopping. Rollout specialises in secure feature management for developers and Electric Cloud has built its own continuous delivery solution called Electric Flow, which is now CloudBees Flow, so the synergies there are obvious.
