Retreat Ministry Calendar

This has meant a great deal to me. Many consider such a project surprising, given the debate that has arisen between those who advocate a transcendental approach to theology and those who contend that a hermeneutical approach furnishes a more adequate theological method in the light of contemporary theological development.

This will be a most interesting and unique volume, containing early material by Lonergan, reviews and notices, and works of devotion. The above programs begin with 5:30 supper on the first day of the session and conclude with the noon meal on the final day of the session.

Navigation menu

This book examines their arguments through the application of mathematical theories and Buddhist-Christian ethics in an attempt to bridge the religious-secularist divide exacerbated by postmodernism.
