It only takes a minute. Also, the world they built was about to end.

Be My Matelotage! The Civil Union of 17th Century Pirates

They would perform bloodletting and other minor surgeries like pulling teeth or creating ointments. Barbers' tasks were, besides of trimming and combing hair and beards, massaging, brushing and shining them with lotions, pomades and beeswax. Journal of the History of Medicine and Allied Sciences.

Be My Matelotage! The Civil Union of 17th Century Pirates

Oil painting by Johan Joseph Horemans. The lower middle class included artisans, shopkeepers, and tradesmen. It explains the meaning of the symbol, but not where it came from.

Bloody History of Barber Surgeons

Lessons were simple, focusing on shaving and cutting hair.

Daily Life in Colonial New England

Men wore their hair long. In order to become a member of the Company, apprentice training would occur for seven years within the household of an experienced barber-surgeon; apprentices would assist in surgical care and gain hands-on experience in tasks such as setting bones and suturing wounds.

Butchers & Surgeons: Rethinking the 17th

In the late 17th-century furniture for the rich was often made of walnut or from the 1680s mahogany.
