Teach Yourself Polish Conversation (3CDs... book by Joanna Michalak

May be very minimal identifying marks on the inside cover. The course comes on three 75-minute CDs and has an accompanying 48-page booklet which gives the dialogues and the translations of the dialogues, for those who like to see the written word or want additional practice.

Polish 101

Both parts start with an introduction to the words and phrases you'll need, followed by the dialogue.

In scope, the book comprises the essential elements of Polish grammar, excluding participles and the conditional mood. It's embarrassing, but it's probably happened to everyone. The Polish language can certainly be as hard or easy as any other language, but its difficulties tend to be more loudly advertised especially by proud natives than what is actually pretty straightforward about it.
