Jim's Tech Tactics

Cool Tech Tools for Lower Tech Teachers: 20 Tactics for Every Classroom. In her article Podcasting and Oral Language, Nicolls, 2008 and how podcasting took oral language to a whole new level. When they learn how powerful technology is, you can't stop them.

Jim's Tech Tactics

The gives a great general explanation of a wiki. Some related indicators are that teachers should collaborate with students, peers, parents, and community members using digital tools and resources to support student success and innovation.

A Technology Snapshot: Teacher Preparation Program and the Local Public Schools

But the teachers who typically attended were already excited by technology; those most in need of training weren't participating. I have enjoyed the readings and found many books during the research I conducted that I will be able to refer to in the coming years. Myth 4: Teachers and administrators have shared understandings about classroom technology and 21st century skills.

Jim's Tech Tactics

He maintains that the use of computers in the classroom tends to be limited to small groups of teachers who are excited by the potential they they feel technology has to motivate their students. The text has been extensively class tested and written from the perspective of what will work for teachers. Teachers should communicate relevant information and ideas effectively to students, parents, and peers using a variety of digital-age media and formats.

A Technology Snapshot: Teacher Preparation Program and the Local Public Schools

I'm going to start this post with some tips for giving online instruction then get into some recommended tools.

Tech Tactics

The candidates are those seeking a special education teaching certificate through the intern program. *Journal of Special Educational Technology,* 19 4 , 45-52.
