1968 IEEE Vehicular Technology Conference : [conference record : papers presented at the nineteenth annual conference : San Francisco, Calif., December 3

.

31st IEEE Vehicular Technology Conference : conference record of papers presented at the Thirty

Since 1999 the conference has been held in spring and fall, when it is known as VTC Spring and VTC Fall respectively. Recent VTCs have been attended by about 600-700 people.

Program : 21st annual conference : Vehicular Technology Group : December 2

This Conference is Organized by International Society for Engineering Research and DevelopmentISERD.

Vehicular Technology Conference

The alignment with the seasons has meant that the conference has almost always been held in the Northern Hemisphere, but in May 2006, VTC Spring was held in Melbourne, Australia, visiting the Southern Hemisphere for the first time. Embracing the many changes that come with entering college can help new situations become familiar more quickly.
