Graphical Interface

Now, thanks to having integrated everything via their shared platform, all derivative applications gain from this centralization.

Dynamic analysis for graphical user interface editors

Malicious software detection in a computing system 2014-12-22 2020-02-04 Palantir Technologies Inc.

Sessions

Understanding the implementation for a coordinated UI behavior is difficult, and there is no existing GUI editor that can assist developers in understanding how a UI behavior is implemented.
